Lord Nelson is located in Dutchman’s Bay, and provides an ocean view with beachfront living. All rooms have twin beds. There is a laundry room on the premises.

Group 2 Singles make up ten ground-level units all with an outdoor sitting area. Each unit has two private single bedrooms. In addition to the ten ground-level units, there is a magnificent waterfront two-bedroom apartment with a wraparound deck and one second-floor two-bedroom apartment with a huge covered balcony and sweeping ocean views. Amenities are the same as in the ten ground-floor units. These two additional units are quite unique.

Group 2 Doubles for those who want comfort with economy, these double-occupancies won’t disappoint. These three units are comprised of two suites with three double-occupancy bedrooms (six students in each suite) and one individual suite comprising two double-occupancy bedrooms (four students in the suite).

Serendipity is a three story apartment complex set in well-maintained gardens off the Friars Hill main road. The apartments include two single bedrooms (twin bedded) with shared bathroom, living area, balcony and kitchen. There is a swimming pool on the premises, 24 hour security, a standby generator and laundry facilities on site. It is close to Woods Malls, as well as many other retail shops, doctor’s officers, and other services. Serendipity is approximately a 12 minute drive away from campus.
